

```
gr::radar::signal_generator  
_sync_pulse_c_impl::signal  
_generator_sync_pulse_c_impl
```

The diagram consists of a large gray rectangular block on the left and a smaller white rectangular block on the right. The gray block contains three lines of C++ code. A dark blue arrow points from the right side of the gray block to the left side of the white block. The white block contains the letter 'p'.
