

```
radar_swig.print_results  
_sptr.set_min_output_buffer
```

```
graph LR; A[top_block.top_block.set_packet_len] --> B[radar_swig.print_results_sptr.set_min_output_buffer]
```

A diagram showing a call from the function `top_block.top_block.set_packet_len` to the function `radar_swig.print_results_sptr.set_min_output_buffer`. The call is represented by a blue arrow pointing from the right box to the left box.

```
top_block.top_block.set  
_packet_len
```
