

`_wrap_qtgui_spectrogram`
`_plot_sptr_pc_work_time_var`

```
graph LR; A["_wrap_qtgui_spectrogram<br/>_plot_sptr_pc_work_time_var"] --> B["SWIG_From_float"]
```

A diagram consisting of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains two lines of Python code: `_wrap_qtgui_spectrogram` and `_plot_sptr_pc_work_time_var`. A blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the text `SWIG_From_float`.

`SWIG_From_float`
