

```
lime::ConnectionNovenaRF7  
::Write
```

```
graph LR; A["lime::ConnectionNovenaRF7::Write"] --> B["read"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'lime::ConnectionNovenaRF7' on the top line and '::Write' on the bottom line. A dark blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the text 'read'.
