

sync_block

```
classDiagram
    class sync_block
    class gr_rad_radar_signal_generator_fsk_c["gr::radar::signal_generator_fsk_c"] {
        + make()
    }
    gr_rad_radar_signal_generator_fsk_c --|> sync_block
```

The diagram illustrates a class hierarchy. At the top is a class box labeled 'sync_block', which is divided into three horizontal sections: the top section contains the text 'sync_block', and the two bottom sections are empty. Below this box is a blue arrow pointing upwards, with a hollow triangular arrowhead. The arrow originates from a class box at the bottom. This bottom box is divided into three horizontal sections. The top section contains the text 'gr::radar::signal_generator_fsk_c'. The middle section is empty. The bottom section contains the text '+ make()'. The entire diagram is rendered in a light gray color scheme with black text and blue arrows.

gr::radar::signal_generator
_fsk_c

+ make()
