

lime::IConnection::
GPIOWrite

SoapyLMS7::writeGPIO

```
graph LR; A[SoapyLMS7::writeGPIO] --> B[lime::IConnection::GPIOWrite];
```

The diagram illustrates a function call. A white rectangular box on the right, labeled 'SoapyLMS7::writeGPIO', has a dark blue arrow pointing left to a gray rectangular box on the left, labeled 'lime::IConnection::GPIOWrite'. Both boxes have black borders.
