

StreamingFixture::SetUp

```
graph LR; A[StreamingFixture::SetUp] --> B[lime::IConnection::IsOpen];
```

A diagram showing a call from StreamingFixture::SetUp to lime::IConnection::IsOpen. The first box, StreamingFixture::SetUp, is shaded gray and has a black border. A blue arrow points from its right side to the second box, lime::IConnection::IsOpen, which is white with a black border. The text in the second box is split into two lines.
