

_wrap_SoapySDRArgInfoList_swap

```
graph LR; A["_wrap_SoapySDRArgInfoList_swap"] --> B["SWIG_Py_Void"]
```

A diagram showing a function call. On the left, a gray rectangular box contains the text `_wrap_SoapySDRArgInfoList_swap`. A blue arrow points from the right side of this box to the right side of another rectangular box on the right. This second box is white with a black border and contains the text `SWIG_Py_Void`.

SWIG_Py_Void
