

std\_map\_Sl\_std\_string  
\_Sc\_std\_string\_Sg\_\_iterator

```
graph LR; A["std_map_Sl_std_string  
_Sc_std_string_Sg__iterator"] --> B["swig::make_output_iterator"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the C++ iterator type `std_map_Sl_std_string_Sc_std_string_Sg__iterator` split across two lines. The right box is white with a black border and contains the SWIG output iterator `swig::make_output_iterator`. A dark blue arrow points from the right side of the left box to the left side of the right box.

swig::make\_output\_iterator
