

```
swig::traits_check  
< Type, pointer_category  
>::check
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text `swig::traits_check`, `< Type, pointer_category`, and `>::check` on three lines. A blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text `swig::asptr`.

```
swig::asptr
```
