

_wrap_os_cfar_2d_vc
_sptr_pc_noutput_items_avg

```
graph LR; A["_wrap_os_cfar_2d_vc<br/>_sptr_pc_noutput_items_avg"] --> B["SWIG_From_float"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains two lines of text: "_wrap_os_cfar_2d_vc" and "_sptr_pc_noutput_items_avg". A blue arrow points from the right side of this box to the left side of a white box on the right. The white box contains the text "SWIG_From_float".

SWIG_From_float
