

```
python.qa_estimator  
_cw.qa_estimator_cw.test_001_t
```

```
graph LR; A["python.qa_estimator  
_cw.qa_estimator_cw.test_001_t"] --> B[sleep]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains two lines of text: 'python.qa_estimator' and '_cw.qa_estimator_cw.test_001_t'. A dark blue arrow points from the right side of this box to the left side of a second box. The second box is white with a black border and contains the word 'sleep'.

sleep
