

std_vector_Sl_double
_Sg__iterator

```
graph LR; A["std_vector_Sl_double  
_Sg__iterator"] --> B["swig::make_output_iterator"]
```

A diagram showing a mapping from a C++ iterator type to a SWIG function. On the left, a gray rectangular box contains the text "std_vector_Sl_double" on the first line and "_Sg__iterator" on the second line. A blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text "swig::make_output_iterator".

swig::make_output_iterator
