

doxygen.generated.compoundsuper.member  
RefType.exportLiteralChildren

A diagram showing a node on the left with two outgoing arrows pointing to two nodes on the right. The left node is shaded gray and contains the text 'doxygen.generated.compoundsuper.member' and 'RefType.exportLiteralChildren'. The top right node is white and contains 'doxygen.generated.compoundsuper.quote' and '\_python'. The bottom right node is white and contains 'doxygen.generated.compoundsuper.show' and 'Indent'. The arrows are blue.

doxygen.generated.compoundsuper.quote  
\_python

doxygen.generated.compoundsuper.show  
Indent
