The diagram illustrates a class hierarchy. At the top is the base class 'supermod::docLanguageType', represented by a white box with a black border and two empty internal compartments. Below it is the derived class 'doxygen.generated.compound.docLanguageTypeSub', represented by a grey box with a black border and three compartments. The first compartment of the derived class contains its name. The second compartment is empty. The third compartment contains the method signature '+ \_\_init\_\_()'. A blue arrow with an open triangular head points from the top of the derived class box to the bottom of the base class box, indicating inheritance.
