

lime::FPGA_Mini::ReadRaw
StreamData

lime::FPGA_Mini::~~FPGA_Mini

```
graph LR; A[lime::FPGA_Mini::~~FPGA_Mini] --> B[lime::FPGA_Mini::ReadRawStreamData]
```

The diagram illustrates a function call from the destructor of the `lime::FPGA_Mini` class to the `ReadRawStreamData` method of the same class. A blue arrow points from the destructor box on the right to the method box on the left.
