

pnlAFE\_view::~~pnlAFE\_view

```
graph LR; A[pnlAFE_view::~~pnlAFE_view] --> B[pnlAFE_view::ParameterChange  
Handler];
```

The diagram illustrates a sequence of events. On the left, a gray rectangular box contains the text 'pnlAFE\_view::~~pnlAFE\_view'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'pnlAFE\_view::ParameterChange' on the top line and 'Handler' on the bottom line.
