A diagram consisting of two rectangular boxes. The left box is light gray with a black border and contains four lines of C++-style identifiers: `_wrap_static_target`, `_simulator_cc_sptr_pc`, `_output_buffers_full_var`, and `__SWIG_1`. A blue arrow points from the right side of this box to the left side of a second, white box with a black border. This second box contains the text `swig::from`.
