The diagram illustrates a class hierarchy. The base class, 'supermod::docTableType', is shown in a white box with a thin black border. It has two empty rectangular sections below its name. The derived class, 'doxyxml.generated.compound.docTableTypeSub', is shown in a gray box with a thick black border. It contains the text '+ __init__()' in its bottom section. A blue arrow with an open triangular head points from the derived class to the base class, indicating inheritance.
