

`_wrap_estimator_fsk`
`_sptr_pc_noutput_items`

```
graph LR; A["_wrap_estimator_fsk<br/>_sptr_pc_noutput_items"] --> B["SWIG_From_float"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains two lines of code: `_wrap_estimator_fsk` and `_sptr_pc_noutput_items`. A blue arrow points from the right side of this box to the left side of a white box on the right. The white box contains the text `SWIG_From_float`.

`SWIG_From_float`
